“ I am so sorry for your loss. Edith was one special lady. I ordered a pie from her and she wouldn't even let me pay for it. She said that was for my husband, Hunter. I tried to get her to take my money, and the little stinker threw it back at me and shut the door. We loved her and we love the whole family. She and Allen raised them well Prayers going up for all the family. Hunter and Katie Timmons
