“ *My Friend:*

*An angel stopped by to visit my spirit and told me about your celebration of God's promise. Although sad with our earthly feelings, I am happy for you and the eternal gift you have received. You fulfilled your destiny and contributed greatly to your family, your people, and most of all, to our children, and for all this we humbly say "thank you". I will miss your smile, contagious sense of humor, and native way of leading. May God be with your family, relatives and friends as they gather to celebrate your life here on Mother Earth and the fulfillment of God's promise to those who follow the his way in life. You done it well.*
