I remember riding school bus with Joann, and playing on the school yard. She was a good friend back in the day. We will have to catch up in heaven.

“ Jo was one of a kind. I saw her pull a baby pig that was having trouble being born. One time while visiting, I opened the back door to go out and there was a snake. With no worry, she got the hoe and killed it, she loved the outdoors like no one else I've ever met. The love she had for my brother Melvin makes me so happy. Living so far away, it just seems she's not gone. I'm sure there will be a great void next time I visit. Love her forever. Melvin's sister, Barb.
