“ I remember the first time I met Joel we were in Montana and at that time we all slept in our trucks and he just kicked his shoes off and reclined his seat, Eric went up to him and said lets go get some dinner he didn't want to go but Eric had a soft spot for Joel needless to say he came to dinner and all he did was talk about the love of his life Ms Wanda (as we call her) they had the kind of love that only comes once in a life time. Joel you taught me so much I will miss you and your "monkey"
